How do you get rid of them? Illustrations are sometimes a lot easier to find than text. So if you find a picture in a book or an ebook, chances are you can find the same image online. Read the text around the image. See what you can get for other images online. I've been doing this lately, too. Make sure you don't grab any images from famous artists or other illustrators, though. It's stealing, and you can get in big trouble. Don't use images from the stock photo or image sites that are often on the internet. But don't go looking for things from the website, either. Remember that you can't legally grab an image from Google and turn it into a print ad. Some publishers are making their books available online only. If you can't find an image anywhere else, you may need to ask the publisher if you can use their copyrighted images. Once you have an image, cut it from the book and paste it onto a page or an illustration. If you have trouble doing this, don't be afraid to ask your instructor for help. Look at your options.

If your book is available online, you may need a license to use the image for the online version. This means you can't make money from it. Look at the contract and what it says about online use. This is an important consideration, since one of the ways people use the internet for publishing is through blogs. If your blog is popular, you can make money off your books through the Amazon Affiliate program. Talk to your publisher about using other images to make the book stand out. There is a first name.

Then a last name, and then a first name. You can do all kinds of things with your characters. For example, you can have the names of your characters start with the same letter. Or you can have the same first name and last name with two different first names. It's up to you and your imagination. You've got to be careful. You can't share the cover image with anyone. That's copyright infringement. You can't print out your book and sell it. That's copyright infringement. You can't sell or share a hardcopy of your book if you've sold 82157476af
